

Lone Star Physicians Group, P.A.

We appreciate **visits with appointments** so that we have time to prepare and are ready for your visit. We understand, however, that on rare occasions you may just have time to **walk-in**. Please be aware that we like to respect the time of our patients who have scheduled appointments and so walk-ins may have to wait (unless urgent situations). Appointments can be made through phone or secured patient portal at www.lonestardocs.com (only for established patients). If for some reason you cannot keep the appointment, please call to cancel so we may be able to provide care to another patient that may need to be seen that day. Appointments that are not cancelled at least 4 hrs in advance may be subject to \$50.00 fee that will be your responsibility.

Dr. Kumar and Staff.
